Ring-a-ring-a-Rosie
you're hateful and ugly.
The grim reapers coming for you.
He's gonna snatch you from your bed.
You have a target placed on your head
no one will cry
people will be thankful you died
Your just a blink within this universe
When you choose hate there is no legacy you leave
So now I'm gonna leave and go back to being happy 😊
Alabama eat your brother
Stephany isn't your mother
